

ECCO Client Services agreement

East Cooper Community Outreach staff, volunteers, partners and students take pride in providing our services with **compassion, collaboration, respect and integrity**. We strive to consistently demonstrate these core values. Clients are also asked to demonstrate the same values when interacting with members of the ECCO team. In the unlikely event a client's behavior is inconsistent with ECCO's values, ECCO has the right to temporarily suspend services for a period of time.

By signing below, I acknowledge that I have read and understand East Cooper Community Outreach's Client Services Agreement. Additionally, I understand that ECCO has the right to confirm and follow up on all information provided during the eligibility verification process. I understand that providing false information may disqualify me and my household from receiving services. I also understand that completing the eligibility process does not guarantee services.

By signing below, I am attesting that the information I have provided to ECCO on the date below is accurate and truthful.
