

Client Services Agreement

ECCO staff, volunteers, partners and students take pride in providing our services with compassion, collaboration, respect and integrity. We strive to consistently demonstrate these core values. Clients are also asked to demonstrate the same values when interacting with members of the ECCO team. In the unlikely event that a client (or a member of the client's household) exhibits behavior that is inconsistent with ECCO's values or violates approved facility use, ECCO has the right to suspend services for a period of time. By agreeing to this statement, I fully acknowledge that I have read and understand ECCO's Client Services Agreement. Additionally, I understand that ECCO has the right to confirm and follow up on any and all information that is provided during the eligibility verification process. I also understand that providing false information may disqualify me and my household from receiving services. Lastly, I understand that completing the eligibility process does not guarantee access to any/all services. I am attesting that the information I have provided to ECCO on this date below is accurate and truthful.

By signing this document, I acknowledge that I have read and understand all statements listed above and agree with them.
